

Welcome to Year 11 Parents Information Evening

Mrs Bird

Head of Year

Our Vision is to
Equip our students for lifelong success through:

Developing self-assured learners
Removing barriers
Working together
Investing in futures

A Culture of

Our new Myton Values: a Culture of CARE

COMMUNITY-MINDED

I think of others and make a positive contribution to society

ASPIRATIONAL

I have high expectations for myself and others for now and for the future

RESPECTFUL

I respect myself, others and my community

ENGAGED

I get involved, work hard and take responsibility for my learning

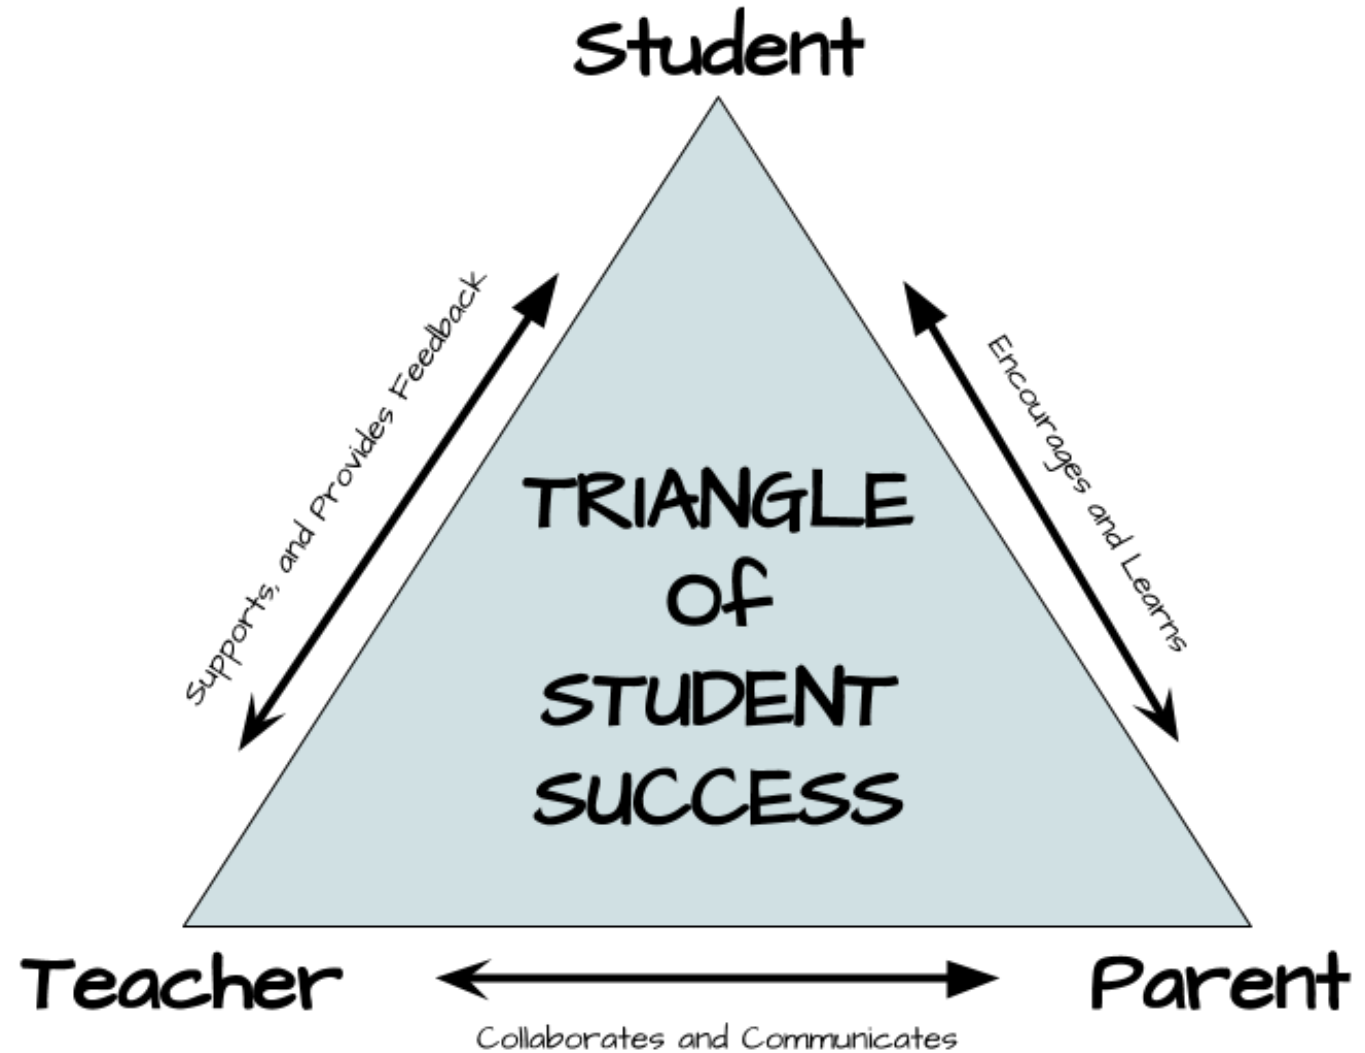

PREPARE our students with the resources and the resilience to achieve future academic and personal success.

PROGRESS our students towards achieving their own personal goals through a meaningful, enriching and supportive curriculum.

EXCEL our students to leave Year 11 as a young adult who has become a self-assured learner who is equipped with the skills to cope with the wider world.

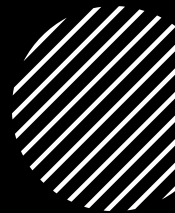

"Parent engagement is a powerful lever for raising achievement in schools. When parents and teachers work together to improve learning, the gains in achievement are significant."

University of Warwick

ParentKind 2021 Parent Voice survey results

Exam Stress

Anxiety

Homework related stress

Bullying

Constant engagement with social media

How can you support your child?

1. Be organised
2. Talk
3. Pin the exam timetable in a busy place
4. Maintain balance
5. Sleep and healthy eating
6. Work with the teachers
7. Technology in moderation
8. Stay Positive!

How Myton will support your child

- Exam Techniques
- Progress exams
- Data tracking
- Revision Sessions
- Interventions
- Mentoring
- Signposts to online revision
- Pastoral Team
- Parental meetings
- Careers advice
- Mock interviews
- A Level taster sessions
- Signposts to Mental Health help and advice.

Exam Boards

Interventions

Each subject area, across the year, has the opportunity to hold an intervention for groups of students.

You will be alerted when your child has been invited to attend one.

Please remember-
intervention is not
revision!

The next steps.....

Preparing for Post-16

WHAT ARE YOUR OPTIONS?

Young people have a **choice** about how they continue in education or training post-16, which could be:

Full-time study

in a school, college or with a training provider

Full-time work

full-time work or volunteering (*20 hours or more*) combined with regulated part-time education or training (*about one day per week*)

Apprenticeship

An apprenticeship (www.apprenticeships.org.uk) or traineeship

Department
for Education

Participation of
young people in
education,
employment or
training

Statutory guidance for local authorities

Local Authorities have a duty to ensure that all young people who reach the age of 16 or 17 in any given academic year are entitled to an offer of a viable place at a suitable provider to continue in education or training in the following year

WHAT ARE YOUR OPTIONS?

Your responsibility is to research all of the options available to you; it is ultimately your choice - it is best you make an **informed choice**

Attend open events at potential Sixth Forms/Colleges e.g., *Myton, Warwickshire College* etc.

Register for apprenticeship alerts via the National Apprenticeship Service

Contact training providers/prospective employers about what they have available
Send in a CV with an outline of what you are hoping to do

RUSSELL GROUP | Informed Choices

What you study at sixth form or college can affect your options at university and your future career. Use Informed Choices to help you understand which subjects open up different degrees, particularly at Russell Group universities.

I don't know what degree I would like to study

I know what degree I want to study
